

RE: Cough drops in school

Dear Parents/Guardians,

Due to the strict guidelines, laws and regulations of the State, we now need a written consent from parents/guardians to administer any cough drops or throat lozenges. It may, in the near future, also require a physicians' order. We thank you for your understanding in this matter.

If you have any questions, please feel free to call us at 413-664-6023. Again, thank you for your cooperation and understanding.

Respectfully,

Your School Nurses Laura and Nancy
